## Make your next holiday a truly memorable experience

A self drive camper van holiday frees you from time constraints and lets you travel and stop as you please. Go anywhere the road goes, see what you want - when you want. Motorhomes offer comfort with convenience and our brand new motor caravans are both a pleasure to drive and a delight to live in.

Whether you're coming to Wales to explore its legendary natural beauty, dramatic mountains and world famous beaches, or you're driving further afield, we have the holiday transport to take you where you want to go.

## Experience the freedom that self drive motor caravanning can give

Our motorhomes come with a welcome pack, containing everything you'll need to make your first stop comfortable: Tea, Coffee, Sugar, Milk, Biscuits and the all important toilet rolls! You also get all the cutlery, crockery and cookware you need to cater for up to six in comfort.

We'll make sure you have sufficient Propane Gas for your holiday cooking and provide a mains hook-up lead for when you stop. You won't be out of touch either, as our motor caravans all have modern TV, DVD, CD and Radios as standard.

## Your Flash motorhome

After extensive research we have selected the *Chausson Flash 03* as the motorhome of choice for our South Wales based fleet. This superior model uses the award-winning Ford Transit as a base and is coach built in France to exacting quality standards.

The *Flash 03* represents true luxury in a modern 6 berth camper van with enough space and privacy for all. Enjoy real home-from-home comfort with your family and friends.

Self contained, the *Flash* motor home incorporates twin rear bunks, with a further double bed above the cab and a flexible double middle section convertible to a comfortable sleeping area.

Our motor caravans come with Satellite Freeview TV/DVD/CD, fully integrated kitchen, luxury washroom, top quality upholstery interiors and are comprehensively weather-proofed, insulated and double glazed with gas fired central heating.

## Comfortable, economical, air-conditioned and relaxing to drive

With a large area for extra storage, the *Flash 03* motorhome also has rear seat belts for all passengers, making it ideal vehicle for safe family travel.

Built onto the Award winning New Transit Chassis with power assisted steering and electric windows, the economical 2.4ltr 140ps Turbo diesel engines makes the *Flash 03* very easy to drive and park. Cab air conditioning adds to the overall driving comfort and luxury of your motor home holiday.

## With your safety in mind

Should you find you need them, you'll find spare bulbs, fuses and a safety triangle on board for any unexpected stops. You will also have a first aid kit, fire extinguisher and fire blanket, plus smoke and carbon monoxide detectors.
